

VIDEO MAGNIFIER

Clover 10 - Handheld and portable.

- ⦿ Auto-focus camera with near-view to read books and newspaper, far-view to see posters and blackboards, and mirror-view for personal grooming.
- ⦿ Useful snapshot freeze feature, enables enlarged pictures to be taken and examined at your convenience.
- ⦿ Large and clear control buttons and joystick mounted on a separate bar underneath the display. An integrated foldaway stand provides a comfortable angle.
- ⦿ Continuous zoom from 2.5x to 18x magnification, plus full color (True Color for pictures and maps) and multiple enhanced color modes.
